

# RAMANBHAI PATEL COLLEGE OF PHARMACY

**B.PHARM. | M.PHARM. | Ph.D.**

## Top Reasons to Study Pharmacy at RPCP-CHARUSAT

 State-of-the-Art Laboratories	 Opportunities to Work on Industry-Sponsored Projects	 Strong Pharma-Industry Collaboration
 Highly Qualified and Experienced Faculty	 Experience in Working on AI-ML based Projects	 Extensive Alumni Network Support
 Research Contingency Grants for Students	 Rich Learning and Library Resources	 Innovation and Startup Support through IIC
 CHARUSAT Scholarship Opportunities	 Structured Academic Counselling System	 Well-Maintained Animal House & Cell Culture Facility

# About RPCP

The Ramanbhai Patel College of Pharmacy (RPCP) has been an esteemed institution under Charotar University of Science and Technology, dedicated to fostering excellence in Pharmaceutical education since 2004. At RPCP, we take pride in offering meticulously curated academic programs in the field of Pharmacy, including Bachelor of Pharmacy (B.Pharm.), Master of Pharmacy (M.Pharm.), and Doctor of Philosophy (Ph.D.).

## B.Pharm (Bachelor of Pharmacy) 4 Years | 100 Seats

- The B.Pharm curriculum covers crucial topics such as drug & formulation development, manufacturing and regulatory affairs, which provide the students with a solid foundation in pharmaceutical science.
- It guarantees that the graduates are well-prepared for various professions in the pharmaceutical business by fusing theoretical knowledge with real-world experience.

## M.Pharm (Master of Pharmacy) 2 Years | 15 Seats (Each Program)

- M.Pharm (Pharmaceutical Technology)
- M.Pharm (Regulatory Affairs)
- M.Pharm (Pharmaceutical Quality Assurance)
- M.Pharm (Pharmacology)
- M.Pharm (Pharmaceutical Chemistry)

With the help of knowledgeable faculty members, students gain advanced knowledge and skills in these programs, delving deeper into specific areas of pharmacy

## Ph.D. (Doctorate of Philosophy)

- A thriving research community and a Ph.D. program have also been made available for prospective scholars and researchers.
- The doctoral program's cutting-edge research projects are intended to further the pharmaceutical sciences.
- Modern labs, research facilities, and dedicated instructors support the program, creating an environment conducive to academic and research excellence.
- RPCP's academic atmosphere is distinguished by an ideal fusion of theoretical understanding, real-world experience, and research opportunities.
- Throughout their academic careers, knowledgeable faculty members mentor them and actively involve them in research.

चारुसेट है तो  
सकसेस है!
